ABOUT DORIAN GRAY

"The only way to get rid of temptation is to yield to it."

Oscar Wilde

My stage name is Dorian Gray. I have worked in this craft since 2012, creating elegant, playful and memorable performances for women's celebrations, private events and special nights that deserve more than standard party entertainment.

What I offer is not just a dance. It is a full male show in Malta built around atmosphere, timing, confidence and respect for the group.

I have performed across Eastern Europe, Thailand and China, and I chose Malta as home because this island knows how to celebrate.

Why agencies work with me

- Clear communication before the event
- Reliable arrival planning and timing
- Adaptable show style: elegant, playful or party-driven
- Consent-first performance with clear boundaries
- Entertainment-only positioning that protects your reputation

WHY MALTA WORKS

Malta is one of the strongest destinations for hen parties and girls trips: villas, rooftops, yachts, beach clubs, Paceville nights and that holiday mood that makes people laugh more and celebrate harder.

A ready-made entertainment module for:

- Bride surprises and hen weekends
- Villa and apartment pre-parties
- Yacht events and private boat stops
- Pre-club warm-ups before Paceville or private nightlife plans
- Concierge and premium travel packages
- Private celebrations that need one strong wow moment

MAIN CONCEPT

Police Surprise / Noise Complaint

The most recognisable format starts with a knock at the door. A police-style character arrives because of a noise complaint, party check or playful official interruption.

The bride believes something has gone wrong for a moment. Then the personalised Wanted poster appears, the room understands the setup, tension breaks into laughter and the show begins.

This works because it is not just a dance. It is a small story: expectation, tension, reveal, humour, performance and a final photo moment.

Flexible for:

villas, apartments, hotels, yachts, private rooms, club warm-ups and custom surprise scenarios.

HOW AGENCIES CAN USE IT

Position the show as a flexible add-on inside Malta travel, concierge and event packages.

Bride Surprise Moment

A short, high-impact surprise for the bride at a villa, apartment, hotel room or yacht stop.

Pre-club Warm-up

Add the show before a club night. It raises the energy before the group leaves for the next venue.

Bride & Bridesmaids Interaction

A longer group format where the bride stays central, but the bridesmaids are included too.

Full Hen Party Experience

Games, custom scenes, roleplay options and a fuller arc for groups who want the show to become part of the evening.

The value for the agency is simple: a memorable experience that can be added to a Malta itinerary without complex organisation.

SHOW FORMATS - NO PUBLIC PRICES

For agency materials, public pricing is intentionally omitted. Final price, deposit, commission and booking conditions are confirmed through the agent or organiser.

Package 1 - Police Surprise / Bride Moment

Short format for one strong bride reaction: entrance, Wanted poster, reveal, bride-focused performance and photos.

Package 2 - Bride & Bridesmaids Show

Extended format where the show opens to the bridesmaids too. More interaction, more photos, more group energy.

Package 3 - Full Hen Party Experience

The most complete format: Police Surprise, bride show, bridesmaids interaction, games, custom scenes and optional elements by agreement.

COMIC STORY PREVIEW

A visual sales tool for agencies: the call, the noise complaint, the inspection, the performance and the happy end.

HOW THE SURPRISE PLAYS OUT

The comic can help clients understand the flow before booking and makes it easier for agencies to present the concept.

Why this sells

- The bride gets a real surprise moment
- The group understands the story instantly
- The reveal creates laughter and relief
- The performance becomes part of the trip memory
- The agency can show the concept before clients book

Use case

Send or show the comic as a preview when clients ask: "How does the police surprise actually work?"

ADDITIONAL SERVICES

Optional support services may be discussed separately. These are practical, entertainment or support options - not intimate services.

- Close protection / private security for parties, nightlife and private events
- Club or party escort focused on safe movement and comfort
- Private driver option by agreement
- Travel video content: simple reels-style moments from the trip or night
- Massage-style party interactive as an entertainment scene, not a medical or intimate service
- Help with extra activities: games, props, timing, route planning and surprise structure
- Full strip option by request as part of a performance format, depending on venue rules and prior agreement

All extras depend on timing, venue rules, legal requirements and the final plan agreed with the agency.

PROFESSIONAL STANDARDS

For agencies, a strong show is not enough. The performer also needs to be reliable, discreet and easy to coordinate.

What agencies can expect

- Clear pre-event communication and realistic planning
- Punctual arrival and respect for timing windows
- Adaptation to villas, hotels, apartments, yachts and private venues
- Consent-first interaction with respect for the bride and guests
- Entertainment-only positioning: no intimate services
- Discreet, professional conduct from first message to final applause

The goal is not chaos. The goal is a controlled, memorable moment that makes the agency look good.

BOOKING CHECKLIST FOR AGENCIES

To confirm availability and build the right format, the organiser should provide:

Event basics

- Is there a chair and enough free space?
- Preferred style: classy, funny, playful or bolder
- Any restrictions: venue rules, injuries, pregnancy, shy bride

Booking terms

Deposit, final price, commission and payment details are confirmed individually with the agency or organiser. For client-facing materials, use: "Ask your agent for availability and price."

ENTERTAINMENT ONLY

This page is intentionally clear so agency teams can sell the product without reputational risk or confusion.

No intimate services

All formats are performance-based adult entertainment. The show can be elegant, playful, funny or more daring by agreement, but it always stays within clear boundaries, consent and respect for guests, the bride and the venue.

For agency use

This service should be presented as private entertainment, bride surprise, pre-club warm-up, hen party show or full party experience. Not as intimate service.

WHY ADD DORIAN GRAY?

Because clients remember emotions, not schedules. Dinner is nice. A club is expected. A yacht is beautiful. But a surprise police entrance, a personalised Wanted poster, the bride laughing and hiding her face, and the group filming the moment - that becomes the story of the trip.

Dorian Gray adds a controlled, professional and memorable entertainment moment to your Malta offer. Elegant when needed. Playful when appropriate. Strong enough to become the highlight of the night.
